Name**

Briefly describe the program for which you seek funding

Requested Amount

List sources and amounts of funding for this project.

Pursued:

Secured:

Type of support solicited	General
	Project
	Other

The B.R. Chamberlain Foundation for Public Enrichment has a broad scope of interests, making grants to support individuals and organizations in the communities which they live and work. Grants might include, but are not limited to, social and/or educational projects, and the like, which receive no government tax dollar funding and do therefore depend solely on private contributions for their existence.

Indicate locations of communities served by your program.

Target Population

**Number of people
served by your
program**

You may attach a brief concept paper of three pages or less. Return to:
